

Traco AI LE (Limited Edition Bundle)

Powerful AI Analysis with Zero Surprise Fees.

Traco AI LE is designed for customers who demand budget predictability and data security. We eliminate the stress of managing "consumed AI hours" – with our on-premise bundle, you pay a fixed rate, and your only limit is the power of your dedicated hardware.

PRICE: \$19,999 USD / Annual Subscription Exclusively available through *Avid Technology* and their network of authorized resellers.
